HAND DELIVERED

STATE OF WISCONSIN
Before the Government Accountability Board
The Complaint of Katrina E. Shankland, Complainant

against

David J. Verhage, Respondent

VERIFIED COMPLAINT

I, Katrina E. Shankland, primarily based on public records and information, hereby allege as follows:

1. This Complaint is brought against David J. Verhage, pursuant to GAB Chapter 2.05, 2.07 and 8.40, administrative code.
2. I am a qualified elector in and resident of the State of Wisconsin and Assembly District 71.
3. Respondent maintains an address at 2610 LaNaeh Lane, Village of Plover, WI, 54467.
4. On or about May 31, 2012, Respondent filed nomination papers containing 226 nomination signatures with the Government Accountability Board to be placed on the ballot for the August 14, 2012 primary for Assembly District 71.
5. Wis. Stat 8.15(6)(c) provides that the number of required signatures on nomination papers for the office of Representative to the Assembly shall not be less than 200 or more than 400 electors.
6. Respondent's nomination papers contained a total of 27 signatures with insufficiencies pursuant to GAB Chapters 2.05 and 2.07, Wisconsin Administrative Code, bringing the total number of valid signatures submitted down to 199. A list of the insufficient signatures that fall out of Assembly District 71 is attached hereto and incorporated herein as Page 2-28 and Exhibits A-D. Additional insufficient signatures, ranging from invalid dates, addresses, and municipalities are documented through Page 2-28.
7. Complainant respectfully submits that these facts warrant the Board's attention, and the Board should take prompt action to eliminate from the nomination papers filed by Respondent all signatures that are insufficient pursuant to GAB Chapters 2.05 and 2.07, Wisconsin Administrative Code and should find that

Respondent does not meet the number of signatures required by Wis. Stat. 8.15(6)(c) to be placed on the ballot for the August 14, 2012 primary election and the November 6, 2012 general election in the 71st Assembly District.

Choose an address by clicking on the street name

Searching by address requires a valid residential address. This is the address that determines the contests, candidates and returns for which you may vote. Mailing addresses, including all PO Box addresses, will not return any results. If you do not find the record you are searching for, verify the street name. This may be necessary if you live on a county highway (e.g. City Hwy X, GTH Rd or SR 123) or a State Rd (e.g. State Rd J, SR 1). Address Search Tips:

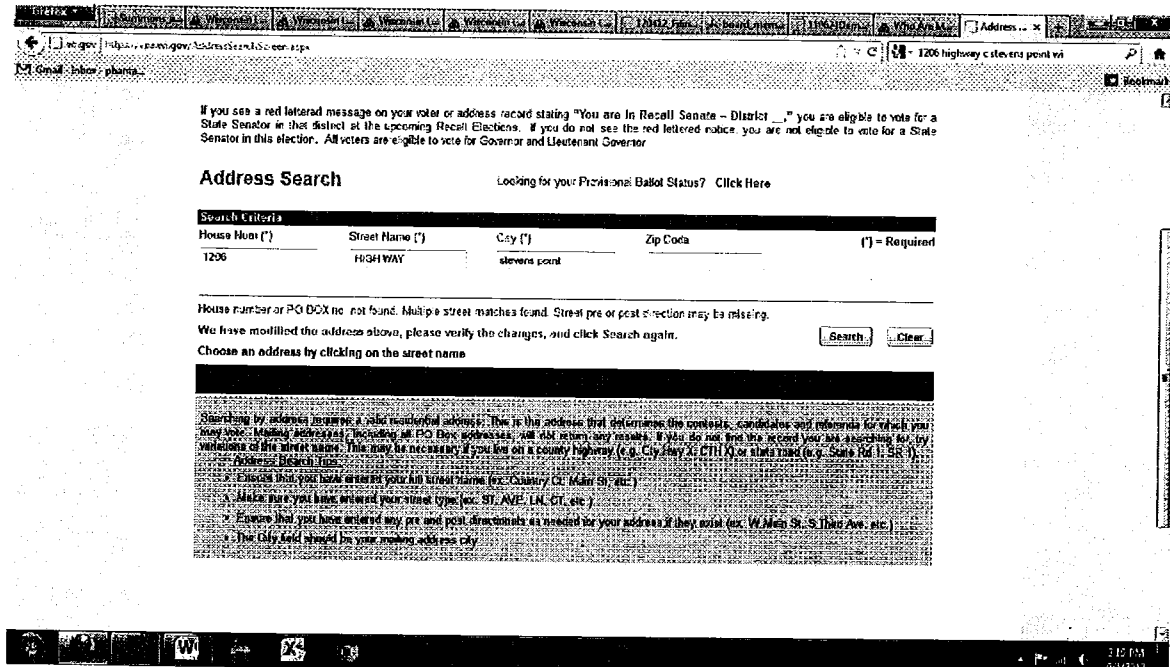

- Verify that you have entered your full street name (e.g. County Ct, Main St, etc.)
- Make sure you have entered your street type (e.g. ST, AVE, LN, CT, etc.)
- Verify that you have entered any pre and post directions as needed for your address (e.g. W Main St, S Third Ave, etc.)
- The City field should be your mailing address city.
